

NIEBO W CZASACH MIKOŁAJA KOPERNIKA

- Sebastian Soberski -

A cóż piękniejszego nad niebo, które przecież
ogarnia wszystko co piękne? ...

A zatem, jeżeli godność nauk mamy oceniać
według ich przedmiotu, to bez porównania
najprzedniejszą z nich będzie ta, którą ...
nazywają astronomią...

- Mikołaj Kopernik -

Tails evolution

Tails evolution

Now we can see the comet with an usual comet anatomy, a coma with a two tails in the same side of comet.
